1. We will arrange farrier as required for all liveries and this will be invoiced directly from farrier to client.
2. We can be present for vet visits but will not be responsible for any veterinary costs.
3. We are happy to administer additives/medication but these will not be included in the price.
4. All livery will include turn out. Weather permitting this could be 24/7 during the summer.
5. Livery does not include worming/physio/tuition
6. Competition liveries will be charged for competition fees and travel to venues in addition to the daily/weekly charges
7. Advertising costs for Sales liveries will be extra to the daily/weekly charges
